

Nissan Forklift

Nissan prides itself on reaching complete client fulfillment when their client is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with strong manufacturing principals, Nissan lift trucks supply a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four distinct production facilities that permit them to persistently adapt to their customers continually evolving wishes by offering an assortment of modern ideas and concepts.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to sustain environmental accountability by using systems that minimize the worldwide influence of their products and processes. These high values remind customers that Nissan operates under the quality seal that their clients require whilst being an environmentally conscious corporation.

Nissan is certain that they will be able to address any consumer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
